

FAMILY HIRE

Where families can hire their own caregivers

Discover the Power of Choice

Family Hire provides a safe and efficient way for families to interview, choose and employ caregiver(s) directly for their loved one. This innovative approach to in-home care empowers families to make the choices that best fit their needs, preferences and budget, but also provides you with the support and expertise of a name you trust.

Family Hire is an ideal resource for those that:

- **Require consistent care visits**
- **Are interested in a safe, affordable live-in program**
- **Want to control costs to better fit their budget**
- **Prefer the ability to review and choose from a selection of their own caregivers**
- **Want more control over the care process**

What makes Family Hire Online different?

This option offers you the ability to make your own choices in all aspects of service, complemented by the professional support of Family Hire. When you use Family Hire Online, you're in charge, but you're not alone. If you need guidance or answers to a question, we are always here for you.

With Family Hire Online, we've made the process easy, the care more affordable and have placed the decision making in your hands. Welcome to the future of in-home care.

What Family Hire Does for You as a Client!

- A website that matches private CG's with private families
- Manages all payroll, W-2's, tax calculations, filing and remittance on behalf of the family (NOT 1099's)
- Provides client management tools for hiring and scheduling, making the process as streamlined, convenient and easy as possible
- Web-based mgt. tools, telephony, audio care notes, and intuitive activity dashboards
- Peace of mind – background checks; \$25,000 bond protection insurance per client; \$1 million liability insurance coverage for caregivers
- Toll-free family support, plus local support from agencies if needed

Contact us today at Continuum to find out more about our Family Hire option and how it might be appropriate for you or your loved one.
