FamilyPartnersHome.com

Our assisted living homes offer the ideal environment for those with dementia in a residential neighborhood:

- Private bedrooms
- Homestyle prepared meals
- A low, 12-13 person residency
- Enhanced safety of around-the-clock professional care
- Focus on each individual; no one gets "lost in the shuffle"
- Best staff to resident ratio – Avg 1:5 (compared to state standard of 1:15)
- House doctor as well as on-site nursing and hospice care when needed to avoid a move

FamilyPartners.com

In a comfortable, home-like setting, Family Partners' Adult Day Services provides a safe, socially active and supervised setting for individuals with memory loss to spend part or full days, offering:

- Engaging activities
- Personal care assistance
- Gentle exercise
- On-site salon/podiatrist
- Transportation
