

# Welcome to our family of services!

Whether at our home or yours, we know home is where your heart is. We're delighted to partner with you in creating solutions as your aging care needs change. Our wide variety of services provide you with options that allow you to keep your definition of home, while still maintaining health, safety, and enjoyment. Please let us know if you'd like to learn more about any of these offerings.

*Providing the Care You Need Where You Want It.*

Continuum's unique team approach to care services in the home ensures the highest quality of personalized care, including services such as:

- Companionship
- Meals and housework
- Personal care
- Transportation
- Dementia care
- Nursing services
- For more information, call **314.863.9912**

In a comfortable, home-like setting, Family Partners' Adult Day Services provides a safe, socially active and supervised setting for individuals with memory loss to spend part or full days, offering:

- Engaging activities
- Personal care assistance
- Gentle exercise
- On-site salon/podiatrist
- Transportation
- For more information, call **314.686.4444**

Our professional care managers help seniors and their families navigate through the overwhelming network of long-term care resources through:

- Advocacy and mediation
- Care planning/medical management
- Medical power of attorney
- For more information, call **314.686.4465**

Our assisted living homes offer the ideal environment for those with dementia in a residential neighborhood:

- Private bedrooms
- Homestyle prepared meals
- A low, 12-13 person residency
- Enhanced safety of around-the-clock professional care
- Best staff to resident ratio – Avg 1:5 (compared to state standard of 1:15)
- Focus on each individual; no one gets "lost in the shuffle"
- House doctor as well as on-site nursing and hospice care when needed to avoid a move
- For more information, call **314.686.4468**

## FAMILY HIRE™

Discover the power of choice. Family Hire empowers families with a safe and efficient method to interview, select and employ caregivers directly:

- **Private Pay** – We find the caregivers—you hire them
- **Medicaid Funded Consumer Directed Care** – Get paid to care for your family or friend
- **VA Funded Care for Veterans** – Care at home from home health aides
- For more information, call **314.686.4466**
